TENZIN THUTOP

Child and Family Background:

Tenzin Thutop is an obedient and studious little boy. He hails from a secluded place named Lobersing, Chandragiri-Odisha. The region has a tropical climate hence the inhabitant had to endure extreme heat. Owing to the scorching heat, every year some inhabitant get sick due to the luo and heatstroke. To top it all, mosquitoes are a hazard over there, as it caused numerous diseases like malaria, dengue, chikungunya, yellow fever, etc. Moreover, in his family, there are 4 family members and he is the sole child of the family. Besides them their grandmother also stays along with the family, she is 80 years old and is sick most of the time. Unfortunately, his father is the sole breadwinner of the family as he is a peon in school. Additionally, her father's meagre salary is mostly spent on the treatment of their old grandmother, so he is not in a position to bear the school expenses of Thutop.

Thutop is a well-mannered and hardworking child. Since he is the lone child of the family, his parents love him tremendously. Physically, he is a well-developed child and has an endearing demeanour. He is quite introvert by nature and likes to spend time with his friends playing football. During his spare time, he likes to help his mother by doing the chores and is also fond of drawing. His humble parents have a huge expectation from him and wish to see him succeed unlike them.

We assure you that, we will keep you posted and updated about the child twice a year, covering his progress in academic and co-curricular activities. We the entire staff members and the children would like to thank you for your unwavering support till now, we have made good progress till now, but we are also aware that there are still more grounds to cover, so to achieve that we continually require your both physical and moral support.
