## Life History of the child and the reason for sponsorship:

The 1959 occupation of Tibet was followed by the exodus of about 80,000 Tibetans along with their spiritual leader His Holiness The Dalai Lama to neighboring countries like India and Nepal etc., which is where a large part of the current Tibetan Diaspora exists. For a refugee community on a foreign land, education is of key essence, which is why under the guidance of His Holiness and against all odds, Tibetan schools were established to provide proper education to the children in order to make them self reliant, to serve the Tibetan cause and to preserve the Tibetan culture and identity. The Department of Education (DoE), CTA is the apex body, responsible for administration of Tibetan schools in exile. STS Lobersing is situated at Phuntsokling Tibetan settlement in Odisha. On 16<sup>th</sup> May 1999, DoE formed an organization, namely; Sambhota Tibetan Schools Society (STSS), responsible for managing the schools which were erstwhile managed by DoE directly. STSS persist on providing a holistic education to the underprivileged children, residing at the remotest area, who are bereft of their basic rights.

Tenzin Chokdey comes from a humble household. His mother is a housewife and his father is farmer. Mr. Deleck is worried for Chokdey's life as the small amount of money he earns from working strenuously in the field, is barely able to satisfy the basic necessities of his family, let alone his son's desires, dreams and future. He does not wish for Chokdey to live a poverty stricken life with unaccomplished dreams like him. He hopes for his son to move towards his goal without the fear and stress of financial condition diverting him from his goal.

Chokdey is a soft hearted boy who enjoys drawing and playing football during his free time. His favorite color is blue and his favorite food is momo (Tibetan dumpling) and his favorite subject is math. He wishes to pursue a career either as a doctor or as a pilot when he grows up.

On agreeing to the noble cause of sponsoring a child, Sambhota Tibetan Schools Society will keep the kind sponsor duly updated on the life and the progress of the child, twice a year. Your kind help will encourage and enable these underprivileged refugee kids in playing an instrumental role in the development of their community. We, Sambhota Tibetan Schools Society, are and will always remain indebted to our altruistic sponsors for their generosity in providing education and a decent living to the Tibetan refugee children.
