ITEM No. 5 **To consider and approve the provision of gratuity as a retirement benefit to pensioners, in accordance with the provisions applicable to Government and other Organizations.**

Gratuity is a statutory lump-sum retirement benefit paid by an employer to an employee in recognition of the employee's long and dedicated service. It serves as a token of appreciation for the employee's contribution and commitment to the organization and provides financial support upon retirement.

As per the resolution passed in the 19th Governing Body (GB) Meeting, the need for the provision of gratuity as a retirement benefit to pensioners was considered, and it

was directed by the Hon'ble GB members to examine the matter through the constituted committee and submit its recommendation in the next GB meeting.

The duly constituted Committee in its report has recommended the matter to be considered and decided by the Governing Body.

The existing & proposed Gratuity provisions:

Existing Provision	Proposed Provision
At present, employees having more than 10 years of regularized service are entitled for gratuity. However, in the case of pensioners, the only option presently available at the time of retirement is to avail either the pensionary benefit or gratuity.	A pensioner who has rendered 20 years or more of qualifying service shall be entitled to gratuity, in addition to the pensionary benefits, subject to the applicable rules.

The Hon'ble Members of the Governing Body are requested to kindly consider and approve the proposed gratuity provision in addition to the pensionary benefits.

ITEM No. 6 To consider and approve the transfer of the General fund amount of Sherab Gatsel Lobling to the STSS HQ's General Fund in FY 2014-2015.

As per the provisions of the Memorandum of Association (MoA)/Bye-laws of the Society, Article No. 3.18 provides that: "To deposit all money belonging to the Society in such banks or invest them in such manner as the Governing Body may decide." Accordingly, the Society proposes to invest some portion of its General Fund with nationalised banks and/or other reliable financial institutions offering safe and competitive returns.

The proposed investment shall be made with due consideration to security, liquidity, reliability returns and safety on investment, so as to safeguard the Society's funds while generating reasonable income.

Any investment in financial instruments other than conventional bank Fixed Deposits shall be considered only after assessing the applicable risks, regulatory requirements, liquidity, costs, taxation implications and the security of the Society's capital. Relevant supporting document is enclosed as Annexure-5 for perusal and consideration of the Governing Body.
